

THE ROAD
TO A *healthier* YOU

What is the dental coverage?

Our dental coverage is \$2,000 annual maximum benefit paid at 80%; children under 19 no maximum.

This benefit includes:

- Oral examinations, including scaling and cleaning of teeth.
- Topical application sodium or stannous fluoride, once in each period of 12 consecutive months, but only if the covered dependent is less than 15 years old.
- Dental x-rays
- Extractions
- Oral surgery
- Fillings
- Other services as detailed in the Summary Plan Description

Your plan also has an orthodontic treatment and orthodontic treatment for injuries benefit:

- The plan allows up to \$1,000 lifetime orthodontic for dependent children only. The benefit is paid at 80% to the \$1,000 maximum.
- The plan allows up to \$2,000 lifetime for orthodontia when part of a medically necessary covered treatment for oral surgery, cleft palate repair or accidental injury to teeth. This benefit is also paid at 80% up to the \$2,000 maximum and is subject to the plan deductible.
- The participant qualifies for only one orthodontic benefit based on condition.

TO LOCATE A Delta DENTIST:

- Go to www.deltadentalmn.org and select Find Dentist.
- Call Delta Dental's Customer Service at 651-406-5916 or toll-free 1-800-553-9536 7 a.m. to 7 p.m. Monday - Friday (Central Time)

The Fund has contracted with Delta Dental Plan of Minnesota to offer their Delta USA Provider Network. If you use a Delta Dental dentist, your 20% co-payment will be calculated on a discounted fee. Delta Dental dentists will file all claims for you. You still have the choice of which dentist you use, and do not have to use a Delta Dental dentist.
